

CAN YOU REALLY AFFORD NOT TO PROTECT YOUR MOST VALUABLE ASSET?

In June 2022 the NHS waiting list had just hit a new record high of 6.5 million. By October 2022 that figure has risen to a record high of 7 million and continues to rise.

With the NHS under pressure, short-staffed and record numbers of patients waiting for treatment, have you considered Private Medical Insurance?

Life is unpredictable as we've seen in recent years so here is a little support and help for your loved ones. Is it time to speak to Sentinel about Private Medical Insurance?
